

COZMO AI - SCALE CARD

Print at 100% / Actual size. Never 'Fit to page'.

149.86 mm

Check the print scale before you capture:

This ruler must measure 100 mm on a tape. If it does not, reprint at 100%:
a 4% print error is a 4% error on every wall length we report.

- Tape flat to a wall at chest height. Flat, not folded, not curled.
- Matte wall only - never glass, a mirror, or glossy tile.
- Leave it in place for the photo, video and LiDAR passes of this room.
